Dear Dr. *Hector Garcia*

I appreciated your sending me a copy of the Corpus Christi Caller-Times which contains a front page story on the successful suit to desegregate schools in the Odem Independent School District.

Lawsuits of this kind very often attract little attention, but they are precisely the kind of hard work that must go into the making of real--and permanent--progress. I hope that many more efforts of this kind will be made, whenever and wherever they may be required.

With every good wish, I am

Sincerely yours,

Henry
