Dear Dr. Garcia,

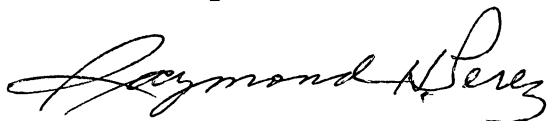

I have received a copy of the letter to Ms. Jean Ellis inviting Dr. Chang Diaz for a special visit and presentation at Moody High School during the month of January.

As we discussed previously, the semester ends on January 17, exams to be given January 15 - 17 (students will not be in school on January 18). Also, Moody has basketball games scheduled in the evenings of January 24, 25 and 28.

I have discussed with the Assistant Principal at Moody, in the absence of the Principal, placing a display in the school library all day for the students to view. I will be talking to principals of the other high schools to invite their students when a date is confirmed for Dr. Diaz' visit. And, we will also invite students from the other area school districts.

We hope Dr. Diaz can work this visit into his schedule and are looking forward to meeting him.

Sincerely,

Raymond H. Perez
