Dear Dr. Garcia:

Thank you for your kind letter and its beautiful enclosure. I appreciate both very, very much.

You have asked me to tell you about the books that I have written that emphasize Spanish activities. The principle one is called Settlement of Florida and it was published by the University of Florida Press. It is now out of print, and I do not think you can find it for sale anywhere. There is one book that is still in print and available at the University of Florida Press. It is called Florida's French Revolution and deals with an event of French opposition to the Spanish in 1793-1795. It can still be purchased at the University of Florida Press, Gainesville, Florida. It was nice of you to ask about this.

With kindest regards, I am

Sincerely,

Charles E. Bennett

P.S. There is another book available at the University of Florida Press called Twelve on the River St. Johns. It does feature in one of its chapters a very wonderful Spaniard by the name of Father Francisco Pareja.
