Dear Doctor Garcia

Just a reminder when we were getting ready to depart from El Paso Texas, I ask you if Our Chapter the "Joe P. Zepeda" Chapter of Commerce City Colorado could have a large picture to hang in our New Building.

I would also like one for my house. it has been a great honor to have met and know you Dr. I hope my letter will find you in good health, me my family and I remembered you in our prayers "over"

If ever you get the opportunity to
come out to Colorado. We would
be very please to have you
over to my house.

Yours Sincerely
