The Vice President
United States Senate

Dear Mr. Vice President:

This is in reply to your letter concerning the possible reassignment of Sergeant First Class Jose Perez to the United States for compassionate reasons.

The circumstances in this case have been carefully reviewed and it has been determined that there is sufficient basis for approval of his request. Action is being taken to assign him to the 502d Administration Company, 2d Armored Division, Fort Hood, Texas. It is hoped that this assignment will enable the serviceman to be of assistance to his mother.

Thank you for your interest in this matter.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "R. V. Lee", is written over the typed name.
