Dear Doctor,

The infamous program of revolutionary communism proclaims socialized medicine as "the Keystone of the arch of the Socialized State".

Dr. Kelley is running as a Conservative Democratic candidate for representative to the United States Congress. His chief opponent in the Democratic primary is J. T. Rutherford. It is imperative that we Americans eliminate this man. We can do it if we UNITE -- It Must Be Now !!

Dr. Kelley is a member of ONLY the following organizations:

1. Church of Christ
2. American Legion
3. Optimist Club
4. Dental Societies
5. Antique Automobile Club

We are asking each Doctor in the State to send \$10.00 or more to help with Dr. Kelley's campaign expenses. We hesitated to go out of our district pleading for funds..... however; it is to the benefit of each and every Texas Doctor to send a conservative to congress. Dr. Kelley's conservative vote will benefit your district as well as ours. This is a vicious battle. The liberals are well-entrenched and their financial problems are nil! In addition to all this, they have a super-large pork-barrel which they are relying upon to destroy the free representation of the people. Without these advantages, we are coming to you for help.

Representative government is on its way out and FAST. Now is the time to join forces and elect good representatives to insure continuity of our Constitutional form of government. This obligation is on the shoulders of every American, and we can't "let George do it". We must ALL make sacrifices!

Please make your checks payable to the "Kelley Campaign Fund" and send them to William E. Vick - P.O. Box 449 - Midland, Texas.

Yours for better government,

*William E. Vick*  
Financial Chairman

PLATFORM OF DR. W. D. KELLEY  
Candidate for Congressman 16th District  
Subject to Democratic Primary  
May 5, 1962

I, Dr. W. D. Kelley, of the Midland School Board, in running for the United States Representative from the 16th Congressional District of Texas do hereby announce my platform as follows:

1. To be a conservative Democrat and to enhance the cause of Freedom by submitting legislation to curb activities of the Communist and Socialist Parties.
2. To re-capture the Democratic Party in the 16th District from the Liberals and the Left Wingers that are now, and have been for many years, leading us down the road to one-world Socialism.
3. To do the will of the majority of the people rather than being controlled by Left Wing radical extremists, or other minorities.
4. To oppose Federal Aid to Education and to try with all my heart and strength to remove teachers with Communist-Socialist leanings from the public schools.
5. To oppose Socialized Medicine.
6. To DEMAND that all persons, civilian or military, be free to be heard without "censorship" or "stifled" freedom of the press.
7. To insist on a complete review of the Foreign Aid program, and to dis-continue all aid to communist bloc countries including the so called Communist Neutrals that always arrive at a final decision to vote with the Russian bloc.
8. To DEMAND a full and impartial investigation of the U.S. State Department with necessary corrective action.
9. To work for the return of local government to the separate and sovereign states, and oppose any encroachment upon States rights that are not reserved to the Federal Government by the Constitution.
10. To DEMAND the enforcement of the Monroe Doctrine and rout the Communists and Socialists out of the Western Hemisphere.
11. To insist on a balanced budget to preserve the freedom to own property and money for our children and grandchildren.
12. To oppose any New Frontier Cabinet Posts.
13. To work to keep the United States the Mightiest Nation in the World.
14. To DEMAND a re-appraisal of the U.N. with strong consideration of withdrawal.
15. To work for the best interests of West Texas in Congress by retaining the present depletion allowance, increasing oil allowables, encouraging industry, freeing farmers and ranchers from Federal grips by returning control of Farm and Ranch activities to Farmers and Ranchers, but most important of all, to serve all my constituents, whether labor or industry, for the good of West Texas with all my time, talent, knowledge, wisdom, and strength, to the best of my ability, so help me God.
