Mr. Robert Aguilar

Dear Mr. Aguilar:

The Census Bureau, from time to time, holds informal meetings called "Census Tables" which bring together leading figures in a given field of interest. The idea is to expose policy-oriented, research-oriented, and professionals in that field to one another, and to a Census Bureau expert in order to stimulate new ideas.

You are invited to join us for a no-host luncheon associated with a Census Table titled "The Condition of Hispanics in the U.S. Today." This luncheon is to be held on September 19, 1985. Mr. Ed Fernandez, Chief, Ethnic and Spanish Statistics, Population Division, Census Headquarters in Washington, will discuss the demographic, social and economic conditions of Hispanics in the U.S. today. Mr. Guillermo Pulido, City Planner, City of Corpus Christi, will then make a presentation. Following Mr. Pulido's presentation there will be a period for questions, comments, and general discussion.

The Census Table will be held at Ray's Restaurant, 2110 Laredo in Corpus Christi. A get acquainted time will begin at 11:45 a.m. and lunch will be served at 12 Noon. We would hope to start the session at 12:30 p.m. and because of busy schedules, we will try to adjourn by 2 p.m. We plan to limit attendance to between 30 and 50 persons, so please detach and return the enclosed registration form in the envelope provided by September 12, to let us know if you can join us.

We look forward to hearing from you.

If you have any questions please feel free to call Ms. Pat Scott of my staff at 214-767-0625 here in Dallas.

Sincerely,

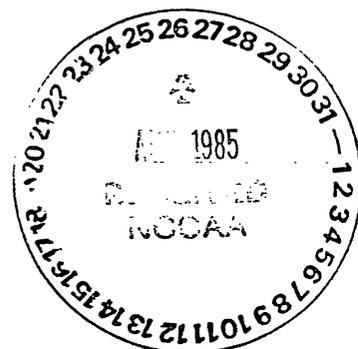

JOHN REEDER
Regional Director
