Dear Dr. García:

As I promised, I wrote my dear friend Dr. Arthur L. Campa about the GI Forum convention of July 4-5. I have a letter from him saying he will be happy to join us. I have indicated that his expenses will be paid by the Forum. So, write to him. His address is: Department of Modern Languages, University Park, Denver 10, Colorado. I would appreciate a carbon of the letter you write him, as he and I may want to put our heads together on our talks.

Mrs. Sánchez and I want to spend a couple or three days in Corpus, and maybe find someone to take us fishing. For years we have had offers to take us out, but we haven't had time. Maybe we can this time. And if Arturo comes for an extra day we might try to teach him how to fish!

It was good to see you at the Alba affair.

Cordially,

Geo. I. Sánchez
