County Welfare
1810 Howard St.
Corpus Christi, Texas

Dear Sirs:

Mrs. Margarita Garza is under my medical attention for ear trouble of both ears. She is in need of a hearing aid.

These people work in a farm and of course now that it has been raining they ~~can~~ do not have any income. They have seven children that need something to eat now that the father does not have any income.

Is there any way the Welfare can help this family.

Thank you.
