Dear Dr. Garcia:

Thank you for your thoughtful letter and for your kindness in providing me with a copy of Among the Valiant, the American G.I. Forum's book by Raul Morin concerning the contributions of Mexican American citizens during World War II, the Korean War and the war in Vietnam.

I appreciate having the book and very much look forward to reading it. As a student of history and one who loves Texas, I recognize the great contributions of the Mexican American to our State and Nation.

Your comments about my efforts as Speaker, as well as your support and assistance, are most encouraging. It was a pleasure to visit with you when you dropped by my office with Representative Truan, and I hope that we may have another opportunity to talk again in the not too distant future.

Sincerely,  
  
Price Daniel, Jr.
