Dear Dr. García,

Those of us in the Dallas Association for Bilingual Education wanted to further express our appreciation for all that you have accomplished over the many years since the birth of the American G.I. Forum. We recognize that you and your leadership have contributed significantly to the well-being of the Hispanic in the United States and in turn, to organizations such as ours. In attempting to meet the needs of many, you have also fostered the goals of bilingual educators throughout Texas and the nation. We, in the Dallas Association, feel strongly that through your leadership, you have worked to meet the needs of the Limited English Proficient child and it is our belief that there is no one more meritorious of recognition than you. Because of this, the executive board of DABE has voted to name one of our annual scholarships to young graduating seniors in your honor.

At this time each year, we raise money in order to award several one-thousand dollar scholarships. One of these scholarships is to be entitled the Hector P. García Merit Scholarship. This designation will be announced at our Annual Spring Banquet and Installation of Officers, May 18, 1984. We sincerely hope to hear from you, should you be able to attend our banquet or have comments that you would like to express to DABE at this time.

Sincerely,

Anne H. Vincent, President
