Dear Friends:

Enclosed is a copy of the Mid-West Council of La Raza Annual Report for 1977. We hope it will give a good understanding of the work of the Mid-West Council -- our goals, objectives, our projects, and activities.

The Mid-West Council depends on people. You can help us continue the work of social action and justice for La Raza. If you would like to help, clip out the back page of this report and send it with your contribution.

Yours for Justice and Equality.

Mid-West Council of La Raza
