Dear Doctor:

I'm delighted you have been selected as one of the honorees for the PASO Convention in Austin. I hope you can make it. Your attendance will give further impetus to the more militant posture of our people in the last few years. No one can deny that there is a revolution and a stirring of our people in Texas.

Many things have happened since I first joined the American GI Forum in 1950. It was in the Forum that I was stimulated and inspired to work on behalf of the Mejicano. And anything I have accomplished for the Mexican, either in private or public life, I attribute to my early Forum training.

Saludos a toda su familia y todas mis amigos en Corpus Christi. And I hope to see you in Austin.

Viva la Huelga,

Albert A. Peña, Jr.
