My dear Sir:

I cannot anymore let the opportunity pass, without expressing to you and your office my warmest and most deep felt gratitude for your invaluable support, information and help in regard to the critical immigration needs of my mother, my sister, her husband and their children after the earthquake in Nicaragua.

For all your past and present most gracious assistance through our mutual good friend Dr. Hector P. Garcia, you both have from all of us our unending thanks and prayers so may God continue to always bless both of you with the greatest success in your worthiest endeavors and the choiciest place in the heart of the people you work so faithfully for.

Always looking forward to the privilege and pleasure of meeting you personally and some day being able to make my humble gratitude most manifest please accept my best personal regards and warmest appreciation.

Sincerely yours,

Octavio Saenz, M. D.
