Honorable Mark W. White Jr.
Secretary of State
The State of Texas
Austin, Texas.

Dear Secretary White.

I have been asked by Mr Flores whom I have known for more than 20 years to write you concerning his case. I believe that Mr Flores in doing his duty became concerned and worried in doing something as a notary public on a situation with which he was not very familiarized.

He certainly did not intend to do something illegal or wrong. He merely wanted to be certain that he was doing his job within the framework of the law.

I know Mr Flores and I have never known anyone to previous to this time accuse him of practicing "law". He certainly did not intend to do something illegal in asking for more facts to protect his notary's position.

My letter is merely to serve as a character witness in behalf of Mr Flores. He is held in high regards by many of our people.

Thank You.
