OFFICE OF THE CHAIRMAN

Dear Mr. Attorney General:

In regard to the various matters of police brutality in Uvalde, Texas, and the action being taken by the Mexican American community, we have recently been advised of a most alarming development.

On Saturday, April 20, Mike Gonzalez, the Del Rio attorney who is planning Mr. Fuentes' legal defense and positive remedies, received three separate anonymous telephone calls, each threatening his life unless he discontinues his support of the Fuentes and related matters.

We have instructed Mr. Gonzalez to contact the FBI in Del Rio and would also appreciate your immediate attention to this serious matter.

As you know, we regard the situation in Uvalde as dangerous and we have no reason to believe that the pressure in that community will subside absent legal redress for those whose civil rights may have been violated.

We would appreciate a report on this matter at your earliest convenience.

Sincerely,

Vicente T. Ximenes
