Dr. Hector Garcia
1315 Bright
Corpus Christi, Texas 78400

Dear Dr. Garcia:

As you may be aware, Texas A&I along with the Good Neighbor Commission and Monterrey Tech, Monterrey, Mexico, are sponsoring an international energy conference to be held on our campus February 21 and 22. The theme of the conference is "Education and Energy - A Common Destiny." A number of nationally known speakers from the United States and Mexico will participate in a series of discussions on matters of common interest in the energy field.

We would like to have you be our luncheon guest on February 22 to hear Federico Price, Director of Research and Development, Hojalata y Lamina, speak on this vital issue. I am enclosing a complimentary ticket for your use.

We look forward to seeing you there.

Sincerely yours,

Duane M. Leach
President
