Dear Dr. Garcia:

After you advised me that the Texas Employers' Insurance Association was not paying the bills that Daniel C. Nieto had incurred at your offices, I wrote to the Department of Labor.

Enclosed herewith you will please find a copy of a letter that Robert Shaw of the Texas Employers' Insurance Association wrote to the U.S. Department of Labor.

I am writing to Mr. Nieto and asking him to come in and if he asks me to do so, I will be asking for an informal conference in order that an effort may be made by me to have the Court determine why your bill has not been paid.

I know that this requires a lot of red tape and I apologize for the delay. However, the insurance carrier that I am dealing with is not the most pleasant one, nor is it the type of insurance company that desires to help the poor, the injured and the working man. I will do the best that I can to see to it that Mr. Nieto's will is paid by the insurance company.

Yours very truly,

William D.Bonilla
