March 9, 1957 Mr. Jacob Seidenberg Executive Director The President's Committee on Government Contracts Washington 25, D. C. Dear Mr. Seidenberg: I received your letter of March 7, 1957, with reference to the newspaper published by the American G. I. Forum of the United States. enclosing the February issue of the G. I. Forum News Bulletin. The Bulletin is published by Attorney M. A. Velasco, Executive Secretary, P. O. Box 1, Victoria, Texas. At present I do not have any suggestions of other newspapers printed in English and having wide circulation among Spanish-speaking people of this country; however, I will keep this request in mind and as soon as I get information I will forward it to you. I am most anxious to hear of the progress being made by the committee appointed to look into the matter of the non-discriminatory clause in the matter with reference to railroads. The New Mexico Fair Employment Practices Commission, upon our suggestion, sent to your office the proceedings concerning the Brotherhood of Firemen and Enginemen. Please do not hesitate to call on me for any help I may be able to give the Committee. Very truly yours, Vicente T. Xinenes National Chairman Encl. VTX/sr
