HONORABLE GEEGE DOCKING
OFFICE OF THE IMPORT EXPORT BANK
WASHINGTON D.C.

DEAR GOVERNOR DOCKING:

I wish to congratulate you on your new position. I know from your outstanding record as governor of Kansas that you will also do excellent work in the Bank.

The American G.I. Forum of Kansas and the U.S. is forever grateful for your cooperation, encouragement and leadership. We will always feel honored in having such a great American leader and humanitarian within our ranks.

Governor Docking I would like to recommend a good friend of mine for a position with your organization. His name is Roy Rodriguez of Corpus Christi, Texas. His address is 362 Baker St. Corpus. I am enclosing with this letter a copy of his qualifications and his experience in the banking business.

I want to assure you that he is fully qualified and also would be of great assistance to you in Washington. I do hope that you will be able to help him since he is a fine friend and an excellent worker. Of course he is bilingual and has had a good amount of experience in the banking business.

We have already contacted the Development Loan Fund and the Inter American Development Bank but there is no opening. Please give my regards to Mrs Docking and your family and I may surprise you in Washington one of these days. Thank You.

Sincerely yours.

Dr. Hector P. Garcia
