TO: Joe A. Garza, Municipal Court Judge
FROM: Sally Garza, Secretary
DATE: January 9, 1987
SUBJECT: -January 8, 1987 Incident-

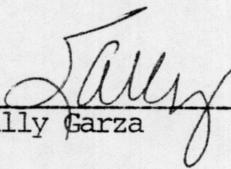

On January 8, 1987, at about 4:20 pm I had a Ms. J. Teer appear in my office requesting a jury trial setting.

Ms. Teer stated she had asked A. Marshall why she was ticketed and requested a Jury Trial.

Ms. Teer said A. Marshall had a very cold attitude and did not really explain anything. She also told me she wanted to talk to the Judge not a prosecutor.

I apologized again for the Court on A. Marshall's attitude and explained what she was being charged with and I told her I would set her up for Jury Trial. She commented she didn't mind going to DDC; however she felt she did not deserve the ticket.

The following day, on a conversation I had with Judge Dodson I asked her about J. Teer and I asked her what had happened because Ms. Teer was upset over A. Marshall's attitude. Judge Dodson told me she wanted the complaint explained and she wanted to speak to a prosecutor so she referred her to A. Marshall. Judge Dodson said she had other people in the Courtroom. She also said although Ms. Teer was assigned to DDC she did not want to go to DDC.
