Dear Doctor:

Thank you for your telegram giving me the benefit of your views in opposition to the so-called Quie amendment which will be offered as a substitute to the Administration's education proposal (H. R. 7819).

This legislation is due to come up for consideration in the House next week. On the basis of present information I am inclined to agree with the position you take and will certainly be mindful of your views.

With appreciation of your active interest, I am

Sincerely yours,

ABRAHAM KAZEN, JR., M.C.

Dear Dr Garcia

Many thanks for your views concerning the upcoming House vote on the Elementary and Secondary Education fight.

Since the bill comes to the floor under a three-hour open rule, I can only assure you that I'll be on hand for the debate and vote on each amendment as it is offered, according to its merit as I see it at the time, and will work for the best legislation we can get.

As always, it was good to hear from you and to have the benefit of your highly valued advice.

With kindest regards, I am

Sincerely

Kika

Dear Doctor:

Following up my recent letter I am pleased to advise that the House yesterday defeated the Quie amendment to the Elementary and Secondary Education Act. Naturally I voted against the amendment. We then went on to pass the bill and H. R. 7819 was adopted by a vote of 294 yeas to 122 nays.

It is indeed gratifying to me to know that our views on this important legislation were in accord.

With every good wish, I am

Sincerely yours,
