Dear Mr. Idar:

A few days ago the local chairman of the GI Forum of Robstown, Mr. Joe Betancurt Jr., told me that you had sent him a list of members who had paid their dues previously to the time that he took the chairmanship. I really don't know what information you sent him, however, there is no question that Roman Barrera is paid up. I believe Arturo Cantu's membership is paid up also.

It may well be that the request of Mr. Betancurt was not clear. What Mr. Betancurt really wanted to find out was who had their membership dues paid up. I told him I thought Roman and Arturo had paid, but eventually it did not come out like that.

Please check this information again and correct it because I saw Roman's and Arturo's card paid up until June 1965. Thank you.

Yours truly,

Hector P. Garcia, M.D.
