Dear Dr. Sugg:

I am writing to you in regard to a manuscript the Press is considering for publication by Drs. Joe Frantz and Pat Carroll of your history department.

My preliminary examination of this manuscript, which deals with the Felix Longoria incident in 1948, indicates that it would be a significant book for us. It does, however, need to be enlarged to fully flesh out the subject. I have discussed several ways this could be effectively accomplished with the authors. Accordingly, the Press would appreciate any cooperation you might extend to Drs. Frantz and Carroll to allow them the resources to expand this manuscript.

Very truly yours,

John F. Stetter
Director
