Dear Mr. Garcia:

This letter concerns an opportunity available to your clients. It is a means by which they may direct a tax deductible donation or bequest to the Junior League of Corpus Christi, and at the same time aid in the establishment of a unique educational and recreational facility for our city - a Victorian park surrounding the three restored homes located in the Bayfront Arts & Science Park. The enclosed brochure contains specific information.

Nothing of this type is presently available in Corpus Christi. The Victorian gardens project will create an entire block set back in time.....from the houses, arbor, and fences to the gardens and walkways. Visitors to our city and residents alike can enjoy a pleasant hour in the park and emerge with an enhanced feeling for the city and its origins.

I am sure that many of your clients, once aware of such a means of directing their monies, would welcome the opportunity to contribute to such a worthwhile project. Now with your foresight and help, Corpus Christi can have such an area.

Please take the time to read the enclosed pamphlet and discuss it with your clients where you feel it is appropriate. A form verifying our tax-exempt status is available upon request. If you should have any questions, please call Mrs. D. Barry McBurnett, 241-7980.

Thank you for your help. Your support will be greatly appreciated.

Sincerely,

Mrs. Herbert G. Morrison, Jr.
President
