Dr. Hector Garcia
1315 Bright Street
Corpus Christi, TX 78405

Dear Dr. Garcia:

As a supporter of The National Hispanic University you will be happy to know that the University has just undergone a 2-day intensive site approval review by a team of experts in different fields compiled by the California Office of Private Post-secondary Education. The results were very positive.

The site approval review committee is recommending to the State Superintendent of Public Instruction that The National Hispanic University be re-classified to an "approved" Institutional status contingent on our submittal to the state some course syllabi within 30 days. We are submitting the latter next week and will have met all the requirements in our second step leading to accreditation. We have but one more step before completion of full accreditation. This is an historical and a very happy moment for all of those affiliated with The NHU.

The approval visit included the following: interviews with students, faculty and administration; review of all fiscal records and audits; review of catalogs, teacher manuals, policies and procedures, student records and course syllabi for all degrees; interview with Board of Trustee members and an exit interview with the Board Chairman, President and Chancellor.

Congratulations and thank you for your continued support.

Sincerely,

B. Roberto Cruz, Ph.D.
President
