

With Thoughts of You

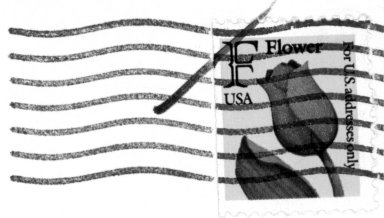

*“Warm thoughts,
like sunshine,
brighten the day
and lighten the heart.”*

If knowing
that you're wished good health
Can help in any way,
If knowing that you're thought about
Can brighten up your day,
Then your heart should feel much lighter
And your room seem sunnier, too,
For this greeting holds
the warmest thoughts
And wishes just for you!

Signed D. Bedinger
and family
God Bless You
every day
