Greetings Dr H-  
Although transfer has not come through yet and certain  
parties appear to be sitting on it, I am in good spirits. We're here  
in Hong Kong a town rich in culture and adventure. I leave  
for Mainland China tomorrow and hope to get good pictures  
there. I miss our talks and times together. I've sort  
of recovered from Dad's passing and  
look forward to visiting  
Corpus. Take care and write  
soon. Address is
