Dear Dr. Hector:

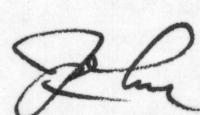

I want to acknowledge and thank you for your letter of January 2 concerning an American flag for the family of Sergeant Hermando S. Moya who was killed in Vietnam.

I also heard from Mr. Clemente Hernandez about the flag and the presentation of it to the family. I will be honored to obtain the flag and present it to the family when I am in Texas this month, but will have to let you know at a later date when this will be. I do appreciate your writing to me about the matter and I will be in touch with you again soon.

With kindest regards, I am

Sincerely yours,

John Young

P.S. I had planned to be home on the 15th, but now it appears that matters pertaining to the start of the 2nd session of Cong will delay my return until the 24th or 25th.

Dear Dr. Hector:

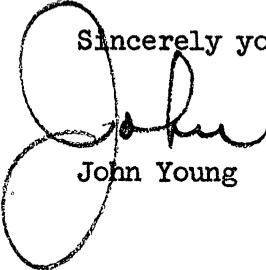

Enclosed herewith is the copy of a letter I have now received from the Department of the Air Force in response to my expression of personal interest in the courtmartial case of Airman Basic Rosendo M. Lerma, Jr.

Dr. Hector, in view of the interest you expressed in this matter, I have certainly been glad to urge that a careful and thorough review be made of the facts and evidence presented. Paragraph 5 of their letter to me is in response to my request for a copy of the trial record. I note that Airman Lerma has been furnished a copy and it is suggested by the Air Force that the copy be borrowed from him.

Please be assured that I will continue in contact with Air Force Headquarters with regard to the outcome of the appellate consideration and will keep you advised of further information received.

With kindest regards, I am

Sincerely yours,

John Young
