Dear Dr. Garcia,

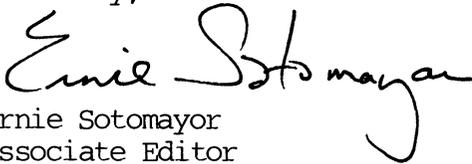

I want to thank you ever so much for your assistance in providing us with the historical photos. It allowed us to centerpiece our story, which I think, for the first time in Dallas, put into proper perspective just how our Mexican American community in Texas viewed President Kennedy.

Like him, you were a pioneer, and pave the way for many who followed. You continue to do so, and we all thank you for that.

I have enclosed copies of our Sunday editions with the story by John MacCormack, along with copies of the special section we published today on President Kennedy.

Your efforts were most appreciated.

Sincerely,

Ernie Sotomayor
