Dear Dr. Garcia:

It is my pleasure to appoint you to the Advisory Council for the Coordinating Board's Compensatory Education Project. This project has the opportunity to make a significant contribution to the education of the disadvantaged in the Texas junior colleges. Much of this contribution depends on you and your fellow members of the Advisory Council.

I want to thank you personally for your willingness to serve and your dedication to the improvement of education for all Texans.

Sincerely yours,

Dear Dr. Garcia:

The Coordinating Board recently has received an Office of Economic Opportunity grant to develop a state plan in the community colleges focusing upon education for the disadvantaged. To assist in this project, a state advisory committee is being named composed of disadvantaged Texans and Texans from the largest minority groups.

I would like to request that you help us with our project by recommending a member of your organization for consideration as a member of our advisory committee. If possible, I would appreciate receiving your nomination before September 18. Dr. Tom Spencer, Jr., of my staff can answer questions relative to the project for you or your representative if you desire. He can be contacted at Area Code 512, 475-2091.

Thank you in advance for your cooperation. We hope this project proves of great benefit to the people of our state and solicit your suggestions.

Sincerely,
