Re: Board No: RO 95343 CC
Claim No: 03169
Insured : Corpus Christi State School
Employee: Hortencia Benavidez

ATTENTION: Mr. Charles Johnson

Dear Mr. Johnson:

This will acknowledge receipt of your request for A-1 and medical report on the above captioned claim. We are at this time sending the copy of the only medical that we have received to date along with and Employer's Supplemental Report of Injury.

We have not paid compensation to date as our investigation reveals there is some question as to whether Mrs. Benavidez lost time as a result of her injury of May 5, 1976 or of simply due to high blood pressure.

As soon as Dr. Garcia's report is received we shall make our decision and of course promptly notify you and Mrs. Benavidez. We are sending a carbon copy of this letter to Dr. Garcia and again request that he complete a report in order that Mrs. Benavidez may be promptly advised of her benefits due under Worker's Compensation.

Very truly yours,

Robert E. Oliphant
Claims Manager
