

From the desk of

RAÚL YZAGUIRRE
President

June 4, 1985

Dr. Garcia:

Attached is a copy of a letter we have sent to Senator Bentsen inviting him to speak at our forthcoming Annual Conference in Houston, scheduled for July 14-17.

I would be most appreciative if you would write the Senator a letter encouraging his acceptance.

Thank you for your attention to this matter.

RAUL.
