Dear Dr. Garcia:

Mr. Register and I have discussed the problems which you presented during our meeting in Corpus Christi. We both agree that these matters should be brought to the attention of Mr. William Crawford, the Administrative Officer in charge of the Hearings Examiners. Mr. Register will do that. Unfortunately, Mr. Crawford was ill at the time and has since undergone surgery. Just as soon as his health will permit, the subjects will be discussed with him and the necessary action will be taken.

Thank you for having taken time to attend this meeting and for your presentation.

Mr. Register is improving rapidly, and is back on the job even though he is still undergoing tests.

Sincerely,

John D. Palmer
