Dear Dr. Garcia,

The Future Planning Committee of the Junior League of Corpus Christi, Inc. is conducting a survey of the needs of Corpus Christi. This Needs Assessment is part of a study which will help the Junior League of Corpus Christi develop long range goals and design future projects. The results obtained from the Needs Assessment will be used to make our membership and the community aware of the needs of Corpus Christi.

As a leader in the community, we ask your help in designing a Self-Administered Needs Assessment Questionnaire. We would like to conduct a personal interview, concerning your perception of the needs of Corpus Christi. The interview will take about 30-45 minutes of your time, prior to November 30th. A member of the Future Planning Committee will be contacting you within the next few days to schedule an appointment.

The results of this exploratory survey will be used to develop the questionnaire, which will be mailed in January, 1984 to a broad sector of Corpus Christi agencies and organizations.

The purpose of the Junior League is exclusively educational and charitable, and is to promote voluntarism, to develop the potential of its members, and to demonstrate the effectiveness of trained volunteers. We appreciate your support and your insights. Thank you for your time.

Sincerely,

Carole Timm
