Dear Becky:

Sunday afternoon after the last hurrah was uttered I took the time to thank you personally on behalf of the Garcia family, the members of the committee and myself.

I mentioned to Mayor Jones what a cracker jack you are in coordinating the function together.

Not only was everything pleasing to the eye and ear, but, the harmony and the esprit that characterized the whole operation can best be described as outstanding and to a great measure to your ability to organize and direct.

Having spent 21 years in the military, I am sure that Mayor Jones with the same or similar military experience would want you as an S-3 or executive officer.

Again, on behalf of us all, thank you for a job well done.

Very truly yours,

Amador C. Garcia
