Dear Hector:

On behalf of the Edgewood Board of Trustees, the community and myself, we wish to thank you for being our guest speaker at the Gus Garcia Dedication, October 8th.

It was a noteworthy speech, of which we thank you for sharing a part of your personal experience about Gus Garcia. The flag presented by you shall stand firmly at this Junior High School.

Indeed, I have heard most favorable comments about your talk; moreover, I am personally interested in the "Chicano School Segregation" input mentioned. I believe it is in the Harvard Civil Rights, "Civil Liberties Law Review." Our library has the two copies for the district, but I wish to have one for my personal library.

Again, Gracias
