Dear Dr. Garcia:

Thank you very much for your letter with regard to the segregation of Mexican American children in Texas. The information you sent me was most informative.

I very much appreciate your taking the time to inform me of your views. Receiving letters like yours from around the country is important to me because it gives me an opportunity to know the problems and opinions of those who do not reside in my district.

Thanks again for writing. You can be sure that I will keep your views in mind when dealing with this important matter.

With best wishes, I am

Sincerely yours,
