Dear Dr. Garcia:

You are invited to meet and discuss some of the problems with SBA loans that have been indicated in the news media. Other persons being invited include; Dr. Cleotilde Garcia, Mr. Amador Garcia, attorney; Mr. Irvin Brown, NAACP; Mr. Tom Russell, SBA; Mr. Julio Perez, SBA; Mr. Oscar Reyna, CAA; and Mr. Tony Bonilla, IULAC.

In an effort to promote more open discussion we are suggesting that this meeting not be open to the public. The intent is to define the problems and find ways to correct them if possible.

It is not anticipated that SBA officials will be able to discuss specific cases, but they will be able to discuss policies, regulations and procedures.

We hope this meeting will serve as a step in resolving the problems. We would appreciate your calling the Human Relations Office at 884-3011, extension 277, if for some reason you cannot attend.

Sincerely,

Maurice L. Colvin  
Human Relations Administrator
