Dear Doctor:

Thank you for your kind letter in which you invite me to attend the 22nd National Convention of the American G I Forum at Flint, Michigan on the last weekend of July.

I regret very much that I will be unable to be with you on that occasion as I am already committed to be elsewhere.

Let me take this opportunity to wish you a very successful Convention and hope that your deliberations will be fruitful. As you know, I have attended several Conventions in the past and through the years I have been very familiar with the work you and the G I Forum do.

Please extend my very best greetings to all in attendance.

With best personal regards and every good wish, I am

Sincerely yours,

ABRAHAM KAZEN, JR., M.C.
