OFFICE OF THE ADMINISTRATOR

The Honorable Ralph W. Yarborough  
United States Senate  
Washington, D. C. 20510

Dear Senator Yarborough:

Thank you very much for transmitting to this Agency the communication from Dr. Hector Garcia in regard to the possible establishment of a permanent office in Corpus Christi, Texas.

At Presidential direction, we are reorganizing our field structure, and actively considering the establishment of offices in cities whose need for our services is warranted. In the months ahead, we will examine a number of potential sites, Corpus Christi among them.

I appreciate your interest in the programs of this Agency and if we can be of service, please let us know.

Sincerely,

Hilary Sandoval, Jr.  
Administrator
