Dr. Hector P. Garcia

Dear Hector:

Thank you for your recent note and for a copy of your editorial which appeared in the December 8 edition of the Corpus Christi newspaper. The editorial is certainly the best I have ever received on H.B. 72 and you surely know how to succinctly set forth the truths regarding the need for this legislation.

Hector, I appreciate all of your support and best wishes for a happy and healthy holiday season!

Sincerely,

A handwritten signature in cursive script that reads "Gib Lewis".
