Dear Dr. Garcia:

As one of the leaders in Corpus Christi's professional community, I invite you to join me in a matter of importance to us all: helping to finance the election of Paul Eggers as Governor of Texas.

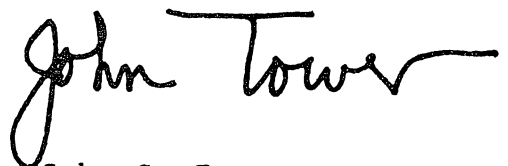

Paul's election will mean a lot of things for Texas: badly needed leadership, close communication with the national administration, management of state business in a business-like way, a responsible conservative approach to problem-solving, and the establishment of a genuine two-party system in Texas.

In order to give Paul badly needed public exposure, television time must be purchased by Sept. 15th. This takes cash in advance. We have a critical need for a minimum of \$250,000. That's a lot of money, but it can be raised if concerned citizens like yourself will help.

After a careful study of the political environment, I am convinced that the only thing standing between Paul and victory is sufficient money to finance a strong campaign. Please write out your check today and return it in the enclosed, pre-addressed envelope. Won't you please do it now! It will be greatly appreciated.

With thanks and best wishes, I am

Very truly yours,

John G. Tower
