LOUIS J. KISHKUNAS, Superintendent

Dr. Hector P. Garcia  
1315 Bright St.  
Corpus Christi, Texas 78405

January 10, 1975

Dear Dr. Garcia,

The Denver Public School District, in an effort to better meet the needs of a diverse student population, is currently in the process of implementing a Bilingual Education Program, a Multi-Cultural Education Program, and an EPDA Bilingual Teacher Training Program.

We are also attempting to update and expand our consultant file so that we may have access to the expertise of knowledgeable persons in the field of Bilingual Education. For this reason, we would ask your assistance in kindly submitting to us names and addresses of persons, including yourself, if applicable, who might be able to assist us by serving as consultants. For your convenience, we have enclosed a stamped self-addressed envelope.

Please include as much of the following information as possible for each name submitted: name, current mailing address, current position or affiliation, and a brief statement of his/her current area of expertise.

The areas in which we are attempting to identify possible consultants include, but are not limited to: language development, cultural awareness, methods and techniques of instruction, curriculum development, testing evaluation and the identification of pupil needs, etc.

Please keep in mind that the submission of a person's name will in no way obligate him/her to actually serve as a consultant. These people will be kept in mind and contacted at a time when their services can best be utilized.

Your assistance in this endeavor will be greatly appreciated.

Yours truly,

Al Aguayo  
Supervisor, Bilingual Education  
Denver Public Schools  
Bilingual-Bicultural Center
