Dr. Hector Garcia
Founder
Hispanic American G. I. Forum
Corpus Christi, TX

Dear Dr. Garcia:

My most sincere thanks and appreciation for the plaque that you presented to me during your past convention. I would like to share this plaque with the great number of people that make up the Anheuser-Busch family. I can assure you that it will be displayed with honor in a prominent place at our corporate headquarters.

It goes without saying that the basis of friendship and brotherhood that we have established at your convention will long be remembered. I hope it will increase as the years pass.

Good luck to you and to all the people that make the G. I. Forum one of the most unique and worthwhile organizations for Hispanics in this great country of ours.

We at Anheuser-Busch look forward to continued relationships.

Un abrazo de hermandad

Sinceramente

August A. Busch III
