Dear Dr. Garcia:

Thank you for your recent correspondence. Please know that I am in full support of Senate Bill 122 and House Bill 85 (relating to the merger of Texas A&I University, Laredo State University and Corpus Christi State University, as component institutions of the The Texas A&M University System) and will do all I can to help gain passage of these measures.

I agree with you and the members of the American G.I. Forum that educational opportunities to higher education for residents of South Texas have been ignored for far too long. I am hopeful and confident the Legislature will ultimately realize the merits of the above proposals and will enact them forthwith.

I appreciate you and the membership of the Forum for sharing your concerns with me as this helps me to better represent our state. Please do not hesitate to contact my office if we can be of assistance in any way. Best personal regards.

Sincerely,

A handwritten signature in black ink that reads "Dan Morales". The signature is written in a cursive, slightly slanted style.
