Dear Dr. Garcia:

Mr. Barnett has reported to me upon the organizational meeting which was held on Monday, June 17 for the San Antonio Advisory Council.

I am enthusiastic about the possibilities of communication and assistance this Council will be able to render for veterans, and we are looking forward to information concerning problems and the Council's recommendations concerning things that need to be done to improve the educational program.

I appreciate very much your taking time from your busy schedule to assist in these matters and our representatives are looking forward to meeting with you on Wednesday, July 3 at 10:00 a.m. at San Antonio College.

Sincerely yours,
