Dear Dr. Garcia:

Thank you very much for contacting me.

Legislation has been passed to consolidate various nutrition programs under Title VII of the Older Americans Act into a larger, more comprehensive set of programs under the newly formed Title III. This shifting of programs would provide more effective and enlarged availability of nutrition programs such as Meals on Wheels. I will continue to support efforts to increase the effectiveness of meeting the nutrition needs of our nation's aged.

Again, thank you for contacting me in this instance. I always am grateful to my friends and constituents in Texas who take the time to share their ideas with me, and I hope you will not hesitate to call on me whenever I can be of service to you in any way.

With best wishes, I remain

Sincerely,

John Tower
