Dear Doctor Garcia:

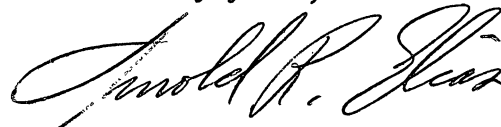

I have received your letter of November 9, 1963 and the enclosures relative to the employment possibilities of Mr. Raime Muguerza by the Department, either in Washington, D.C., or in our Regional Office in Dallas, Texas.

Mr. Muguerza's background and qualifications appear to be very good. I shall continue to investigate any possibilities here in Washington, D.C., and at the same time I am taking the liberty of forwarding a copy of Mr. Muguerza's application to Mr. Debs B. Hensley, Regional Personnel Director in Dallas so that he may investigate any possibilities in that area.

I appreciate your interest in this matter and hope to have further information for you at an early date.

With kindest personal regards.

Sincerely yours,

Confidential Assistant  
to the Postmaster General
