Dear Doctor Garcia;

This is to acknowledge receipt of your letter on behalf of Mr. Daniel V. Alfaro, III, who has applied for an Army ROTC 4-year scholarship.

Mr. Alfaro's application has been received by this headquarters. Your letter of recommendation will be placed in his application file. His application will be given every consideration along with all other applicants in this very competitive program. I will advise you of his final status at the conclusion of the selection cycle on or about 1 March 1980.

Mr. Alfaro is a fine young man and from my perusal of his application file, a superb young Mexican American. I appreciate your continued outstanding efforts to interest top Mexican Americans in Army ROTC.

Sincerely,

A handwritten signature in cursive script, reading "Daniel W. French".
